

Growth & Success

STAFFING SOLUTIONS AT WORK.®

20 Years of Exceptional Development

Founded in 1985, QPS has grown from a two-person operation to a company whose internal staff now numbers over 200 employees in 21 office locations throughout Wisconsin and Illinois.

Solid Growth and Success

- **Sales Growth:** QPS has experienced double-digit sales growth year after year, with sales quickly approaching 100 million.
- **Acquisitions:** We have acquired three competing staffing firms in the past three years.
- **New Markets:** QPS has opened seven new offices in the past two years and has strategic plans to open additional offices. We are committed to growing the existing branches and bringing new branches to a higher level of profitability.
- **Staff Increases:** The number of our internal staff has grown by 31 percent. Existing staff have increased their experience, knowledge, and qualifying certifications within the industry.

Progressiveness

It is our mission to be the industry leader. QPS invites you to work with a progressive, growing company that can provide you with the resources you deserve.

- Partnerships with over 1,000 local companies
