FOR IMMEDIATE RELEASE:

Local Staffing Firm Announces E-Verify Program

Green Bay, Wis. (February 4, 2009) – QPS Companies, a local staffing and recruiting firm with offices in Green Bay and Appleton, announces its new E-Verify program. As the progressive leader in the staffing industry, QPS maintains the highest quality and most up-to-date methods of employee verification. E-verify provides QPS with a quick, comprehensive and cost-effective look into our temporary employees' backgrounds.

E-Verify is an Internet-based system that is operated by U.S. Citizenship and Immigration Services (USCIS), in partnership with the Social Security Administration (SSA).

The program provides an automated link to federal databases to help employers:

- § Determine employment eligibility of new hires
- § Validate Social Security numbers

E-Verify benefits include:

- § Elimination of Social Security mismatch letters
- § Improvement of the accuracy of wage and tax reporting
- § Protection of jobs for authorized U.S. workers
- § Assistance for U.S. employers to maintain a legal workforce

Because it is a government funded project, E-Verify's federally generated data is the most accurate and up-to-date.

Steve Waller, Regional Vice President of QPS states, "By utilizing the latest in employee verification technology, QPS' knowledge of temporary employees' true work history provides greater security to local companies."

About: QPS was founded in 1985 and has grown from a two-person operation to a company whose internal staff now numbers 200 employees in twenty one office locations throughout Wisconsin and Illinois.
